Universal  
Score Rings  
in Vital Areas

OnCore Targets are a cost effective alternative to 3D targets and paper target faces. Our targets are made from 5/8" self-healing closed cell foam giving it excellent durability and weather resistance. Easily mounts to any safe backstop.

We offer over 70 of targets to choose from, including our Jurassic Dinosaurs and Zombies. See us on the web at [www.oncoretargets.com](http://www.oncoretargets.com) and on Facebook at [www.facebook.com/oncoretargets](http://www.facebook.com/oncoretargets).

- Made from 5/8" premium self-healing foam
- Offers unsurpassed durability
- Center score ring sustains 100's of shots
- Combined rings sustains a 1000 shots plus
- Precision sculpted and hand painted
- Available with Universal Score Rings
- Attaches to any safe backstop
- Indoor and outdoor use
- Lightweight and easy to store
- Made in the U.S.A.
